UC BRAID | Innovation Collaboration Acceleration

UC-IRB: What's Driving the Need?

- NIH Single IRB mandate & increase in multisite studies

- Availability of IRB committee member expertise

- New types of studies, such as those arising from
  UC Health Data Warehouse

UC-IRB: Advisory Group & Its Role

- Karen Allen, UCI
- Cindy Gates, UCD
- Laurie Herraiz, UCSF
- Anthony Magit, UCSD

UC-IRB: Project Team

Nate Buscher

Project Manager
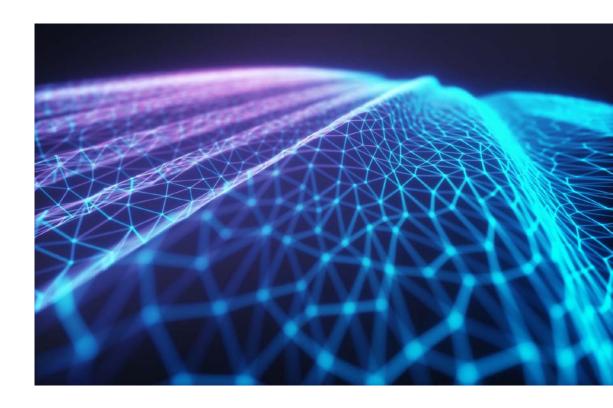

Sehily Carlson

IRB Reviewer-Analyst

Eric Mah

Project Director

UC-wide Partnerships

- IRB System

- Committee Members

- Regulatory Home

- SOPs/Forms/Documentation

What is the UC-IRB?

UC-IRB: Committee Expertise

- Pediatrics

- Oncology

- Hematology

- Cardiology

- Emergency Medicine

- Otolaryngology

- Neurology

- And recruiting!

UC-IRB: Study Eligibility

Today we're announcing:

Any Study, Any Phase

A few caveats:

- Subject to local IRB agreement

- Provided expertise available

- UCs only for now

UC-IRB Roadmap

1. Build & test infrastructure

2. Solicit studies, ramp-up volume, expand eligibility

3. Measure performance & cost. Examine self-sustaining models

UC BRAID | Innovation Collaboration Acceleration

How to Support BRAID's UC-IRB Efforts

- **Send us your trials** (see uc-irb.org)

- **Send us your ideas for partners, interested research programs** (e.g. cross-UC…)

- <u>**Spread the Word**</u> (materials available at BRAID desk)
